<b>腐敗防止法－投資家への新たな課題</b> <b>Anti-Bribery Laws – New Challenges For Investors</b>			
アジアへの投資に際して事前検討が重要な Anti-Corruption に関わる問題（現地規制や FCPA なども含む）とその対策や展望（現状で投資をする 際に行っている DD や調査会社の活用、今後どのよ うな政策や対策が取られればより投資が進むのか など）について考察します。		Whenever investments into developing Asian countries are examined, regulations regarding Anti-Corruption (local regulations and FCPA) are important issues. We will discuss how investors are dealing with these issues (for example, due diligence or usage of outside investigating companies), and what policies and counter measures will facilitate the investment into these developing countries.
